

**Sawley Infant and Nursery School
Admission Arrangements
(2027-2028)**

Sawley Infant and Nursery School ADMISSIONS POLICY AND ARRANGEMENTS (2027-2028)

The published admission number (PAN) is **60** pupils.

Admission arrangements means the overall procedure, practice, criteria, and supplementary information used in deciding on the allocation of school places. This document sets out the admission arrangements for Sawley Infant and Nursery School for the academic year 2027-2028.

Sawley Infant and Nursery School is part of ONE Academy Trust. ONE Academy Trust is the overall Admission Authority for Sawley Infant and Nursery School. This is in accordance with paragraph 11 of the School Admissions Code 2021. As an academy, we are required to set and publish our own admissions criteria. Admission applications are managed through the Derbyshire Coordinated Admissions Scheme.

All applications for places are made on the applicant's home local authority application form. In the majority of cases, this will be the Derbyshire (the local authority) common application form which is available from the local authority [here](#) or on request.. Although the governing body has responsibility for deciding admissions, under law, the local authority will co-ordinate all admissions in its area and communication of decisions will be made to parents within specified timeframes.

Relevant legislation and other information

ONE Academy Trust complies with the regulations and legislation set out in the School Admissions Code 2021 and the School Admission Appeals Code 2022, including:

- Equality Act 2010
- Human Rights Act 1998
- School Standards and Framework Act 1998

Overseas nationals entering the UK, who wish to apply for a state-funded school place, are advised to check that they have a right of abode (<https://www.gov.uk/right-of-abode>) or that the conditions of their immigration status otherwise permit access to a state-funded school before making an application for a school place

Applications for the Reception Year in 2027

Children do not automatically transfer to Reception from early years settings or nursery, including Sawley Infant and Nursery School's own nursery provision. Parents **must** apply for a school place.

For entrance to the school in September 2027 the closing date of the co-ordinated admission scheme is 15 January 2027. Please check with your home local authority when the admissions round opens as this differs for each local authority. Offers of school places will be made on National Offer Day. Primary National Offer Day is 16th April (or the next working day).

Catchment areas

Sawley Infant and Nursery School has a defined catchment area for the relevant age group which forms part of the oversubscription criteria (see below). Details of catchment areas across Derbyshire are available via the following public website:

[Choosing a School - Derbyshire Council](#)

Catchment areas do not prevent parents who live outside the catchment of Sawley Infant & Nursery School from expressing a preference for the school. Whilst living in a catchment area gives higher priority

within the oversubscription criteria, it does not guarantee a place will be allocated. The address point (using eastings and northings as defined by Ordnance Survey) will be the point used to determine if a property falls within Sawley Infant and Nursery School's catchment area.

Children with an Education, Health and Care Plan (EHCP)

Some children have an EHCP, which is a plan made by the local authority specifying the provision that is required for that child. In conjunction with Derbyshire's Special Needs Service, all children whose EHCP names Sawley Infant and Nursery School specifically will be admitted.

Multiple applications

In cases where multiple applications are received for the same child, the residence in which the child lives most of the time will be established. If agreement is not reached the address held by the child's current provision will be used.

If those with parental responsibility are unable to agree on the school preferences received, it may be necessary for parents to obtain further legal advice. An application will be processed unless legal documentation is provided that states an application cannot be processed.

Late applications for the normal Year of Entry

An application received after the closing date including any changes to preference, or order of preferences, are considered late and will be processed after all on time applications. In very limited circumstances an application received after the closing date may be considered as 'on time' in the following circumstances:

- Relocation into the area of Derbyshire County Council from another local Authority area.
- Relocation within Derbyshire
- Exceptional reasons for missing the closing date e.g. Family bereavement, hospitalisation or family trauma

Each application will be treated on a case-by-case basis.

All other late applications for Sawley Infant and Nursery School received by Derbyshire County Council Local Authority after the closing date specified above but before 31st August of that year (the end of the academic year) will be considered after the National Offer Day. This will be after all 'on time' applications have been processed and decisions have been sent to parents. Local authorities may have different policies when dealing with late applications and we would advise that you contact your home or destination local authority to find out what their policies are.

In addition, for any late applications for Reception processed after National Offer Day and before 31 August 2027, ONE Academy Trust will also consider whether the limited exceptional circumstances for infant class sizes could apply. A child who falls into any of these categories will not automatically be admitted as an excepted child.

Any applications received after 1 September 2027 will be processed as in-year applications.

In Year Applications

An application is an in-year application if it is for the admission of a child to a relevant age group, but it is submitted on or after the first day of term of the first term of the admission year, or if it is for the admission of a child to an age group other than a relevant age group.

Sawley Infant and Nursery School participates in Derbyshire's co-ordinated admissions scheme and all applications are dealt with through them. Details of how to apply for places in any year group, are made available via Derbyshire County Council admission scheme ([Changing schools during the school year - Derbyshire County Council](#)) or on request from the school .

Admissions will normally be agreed up to the published admission number for the relevant age group. Admission to other age groups will not be refused on the grounds that the PAN has already been reached however, admission may be refused where the admission of another child would prejudice the provision of efficient education or efficient use of resources.

If the relevant year group total is full, the child will be only offered a place if there are very exceptional circumstances and if the governors decide that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil. Parents will have 90 days to accept the offer of a school place.

If there is oversubscription within any year group, the school will maintain a waiting list. Details (in line with the Trust's Data Protection policies) will be provided on request. Inclusion in a school's waiting list does not mean that a place will eventually become available. If a child is not allocated a place, parents have a statutory right to appeal (see 'Appeals' below). Appeals should be lodged within 20 school days after the date of your decision letter.

Local Authorities are required to have Fair Access Protocols (FAPs) in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable and/or hard to place children, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

FAPs must not be used in place of the usual in-year admissions process. A parent can make an in-year application at any time and is entitled to have their preferences met wherever possible, as well as the opportunity to appeal a decision when a place is not offered. Details of Derbyshire's Fair Access Protocol is available [here](#).

Applications outside of normal age group

Parents may request that their child is admitted outside their normal age group, for example, children born between 1st April to 31 August (summer born), if the child has experienced problems such as ill health or is born prematurely.

For Reception year, any parent of a summer born child wanting their child to be admitted outside of the normal age group should make an application to their Local Authority for their child's normal age group at the usual time but also submit a request for admission outside of the normal age group at the same time.

For other year groups, any parent, wanting their child to be admitted out of the normal age group should submit a request, in writing, to Sawley Infant and Nursery School as soon as possible.

When a request is made, the school will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the parent, the headteacher and any supporting evidence provided by the parent, e.g. child's medical history and the views of a medical professional. ONE Academy Trust is responsible, as the admissions authority, for making the decision on which year group a child should be admitted to.

All applications will be considered at the time they are submitted.

Oversubscription Criteria

All schools must have admission arrangements that clearly set out how children will be admitted, including information about what happens if there are more applications than places available, i.e. oversubscription criteria. If the school is not oversubscribed all applicants will be offered a place.

All admission authorities must include the oversubscription criteria in their arrangements. These criteria must be reasonable, clear, objective, procedurally fair and comply with relevant legislation, including equalities legislation.

Please note: *Children who have an Education & Health Care Plan (EHCP) which names Sawley Infant and Nursery School will be admitted. This will reduce the number of places available.*

In the event of oversubscription, the following order of priority will be adopted.

- (1) Places will first be allocated to a 'looked after child' or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- (2) Places will then be allocated to children who, at the closing date for applications, live within the catchment area, whose parents have requested a place at the school and who, at the time of admission, will have a brother or sister attending the school or attending Sawley Junior School.
- (3) Places will then be allocated to other children who, at the closing date for applications, live within the catchment area and whose parents have requested a place at the school.
- (4) Places will then be allocated to children who live outside the catchment area, whose parents have requested a place at the school and who, at the time of admission, will have a brother or sister attending the school or attending Sawley Junior School.
- (5) Places will then be allocated to other children who live outside the catchment area and whose parents have requested a place at the school.

Where families move into the catchment area after the closing date but before the offer date, an assessment of applications from the address the parents are living at the closing date will be made. A reassessment of the address will be made on the National Offer Day.

In the event of oversubscription within any of the criteria listed above (2-5), preference will be given to applicants who live closest to the school, as measured in a straight line (by a computerised geographical information system) from the school site to a point at the pupil's home. In the event of two measurements being equal, it will be measured to the next decimal point. The local authority conducts this process and specifics in relation to measuring points and criteria can be found on the Derbyshire County Council website.

Where two or more applicants are equal in all respects and it is therefore not possible to differentiate between them, a method of random allocation will be used to allocate places (supervised by someone independent of Sawley Infant & Nursery School).

Please note a place cannot be guaranteed for any child, even those living in a school's normal area.

**A place at Sawley Nursery School does not guarantee a place at Sawley Infant School.
Parents/carers must apply for a place.**

**A place at Sawley Infant School does not guarantee a place at Sawley Junior School.
Parents/carers must apply for a place.**

The above criteria (2-5) may be overridden and priority given to an applicant who can establish any of the following:

- Children with special educational needs that can only be met at the Sawley Infant and Nursery School (e.g. where the school has specialist provision)
- Children of travellers, children with exceptional medical, mobility, or social grounds that can only be met at Sawley Infant and Nursery School.

At the time of application, applications in these categories must be supported by a statement in writing from a doctor, social worker or other relevant professional. This is necessary because you will be asking the academy to assess your child as having a stronger case than other children.

Each case will be considered on its merits by ONE Academy Trust.

Withdrawing an offer of a place

An offer of a place may only be withdrawn if it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application (e.g. a false claim to residence in the catchment area).

Where the allocation has been withdrawn due to an error or confirmed fraudulent or intentionally misleading information, the application will be reconsidered, and the usual statutory right of appeal will be made available if a place is subsequently refused.

Places offered in error

Where it has been identified that an administrative error has been made in the processing of an application for a school place and it is established that this error has disadvantaged another child the place may be withdrawn. If it is established that no other child has been disadvantaged, the allocation will remain.

Applicants are responsible for the accuracy of all and any information which they submit. ONE Academy Trust takes no responsibility for incorrect information submitted as part of the application (i.e failure to mention a sibling(s) or provide supporting evidence).

Response within a reasonable time

Failure to accept a place offered at the school within the 90 days previously specified may also lead to the withdrawal of that offer.

Waiting List

If, after the offer of available places has been made, the school is oversubscribed, all unsuccessful applications will be placed on the waiting list which will be administered by the school in partnership with the local authority for the duration of the co-ordinated admissions scheme. Once the co-ordinated scheme is closed, the waiting list will remain open but will be administered by the school. A waiting list will also be in operation for any other years where the school receives more applications than places available. The waiting lists will remain open whilst the number of places in the year group is full, or until 31st May.

Where the number of pupils in a particular year group falls below the Published Admissions Number (PAN), the person whose name appears first on that particular year group's waiting list will be offered a place. A child's position on this waiting list will be determined by the application of the school's published oversubscription criteria.

Parents are welcome to ask what position they currently hold on the list. However, because the school constantly receives applications for admission throughout the year, the waiting list is continually being re-ordered. Parents need to be aware that their position on the list may rise and fall over time and therefore a higher position on the list is not necessarily a good indicator of the likelihood of a place being offered. Length of time on the waiting list will not be a factor in offering a place.

Children who are the subject of a direction by a Local Authority to admit or who are allocated to the school in accordance with the In-Year Fair Access Protocols will take precedence over those children on a waiting list.

Independent Appeals

Parents have the right to an independent appeals panel in the event that their child is declined admission to the school. Repeat applications in the same academic year will not be considered unless there is a significant and material change in circumstances.

Admission authorities must ensure that appeals lodged by the appropriate deadlines are heard within the following timescales:

- a) for applications made in the normal admissions round, appeals must be heard within 40 school days of the deadline for lodging appeals;
- b) for late applications, appeals should be heard within 40 school days from the deadline for lodging appeals where possible, or within 30 school days of the appeal being lodged;
- c) for applications for in-year admissions, appeals must be heard within 30 school days of the appeal being lodged.

ONE Academy Trust uses Derbyshire County Council to hold appeals for ONE Academy Trust. More information on the process can be found at: [School admission appeals - Derbyshire County Council](#)

Children of UK service personnel and crown servants

In accordance with the Admissions Code, for families of service personnel with a confirmed posting, or crown servants returning from overseas, admission authorities must:

- a. allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Admission authorities must not refuse to process an application and must not refuse a place solely because the family do not yet have an intended address, or do not yet live in the area.
- b. use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admission authorities must use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
- c. not reserve blocks of places for these children.
- d. ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the local authority's composite prospectus.

Definitions of terms used in these arrangements:

Address	The child's place of residence is taken to be the parental home, other than in the case of children fostered by a local authority, where either the parental address or that of a foster parent(s) may be used. If a child's parents live at separate addresses, the address where the child permanently spends at least three 'school' nights (that is, Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Addresses of other relatives or friends will not be considered as the place of residence, even if the child stays there for all or part of the week. Evidence that the child's place of residence is permanent may also be sought and this should prove that the child lived at the address at the time of the application. Informal arrangements between parents will not be taken into consideration
Appeals	When an application for a school is refused, the parent has a right to appeal to an independent appeal panel. Parents are informed of this when they receive their outcome and to lodge an appeal. The appeals timetable and further information about appeals is available at: School admission appeals - Derbyshire County Council
Compulsory school age	A child reaches compulsory school age on the prescribed day following their fifth birthday. The prescribed days are 31 December, 31 March and 31 August. Children must be attending school the term following their fifth birthday. Parents can request that their child take up the place part-time until the child reaches

	compulsory school age within the academic year that the place has been allocated for.
Deferred entry to school	All children can start school full time in reception in the September following their fourth birthday. Parents can request that the date their child is admitted to school is deferred until later in the school year, or until the term in which the child reaches compulsory school age.
Delayed admission	When a summer born child starts school at compulsory school age (age 5), whether this is in year 1 or reception.
Infant class sizes	The School Admissions (Infant Class Sizes) (England) Regulations 2012 permit children to be admitted as exceptions to the infant class size limit. Section 1 of the SSFA 1998 limits the size of an infant class (that is, a class in which the majority of children will reach the age of five, six or seven during the school year) to 30 pupils per school teacher. The School Admissions Code 2021 (2.16) states that additional children may be admitted under limited exceptional circumstances. These children will remain as 'excepted pupils' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit.
Looked after and previously looked after children	<p>The School Admissions Code 2021 states that all admission authorities must give highest priority to this group of children and provides the following definition:</p> <p>A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.</p> <p>Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.</p> <ul style="list-style-type: none"> • A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. • Children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002. • Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2010. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2010 is deemed to be a child arrangements order. Section 90A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
Multiple births (twins, triplets etc)	Please indicate clearly on the application that you are applying for multiple birth children. This is crucial for the Local Authority Admissions Team to apply the relevant policies to endeavour to place multiple-birth siblings in the same school.

National Offer Day	<p>This is the day each year on which local authorities are required to send the offer of a school place to all parents in their area. For primary pupils, offers are sent out by the home local authority on 16 April.</p> <p>These dates are relevant to all on-time applications in the primary and secondary coordinated admissions rounds. If offer day falls on a non-working day, information will be sent on the next working day.</p>
Parent/parental responsibility	<p>The person making the application must hold parental responsibility. ONE Academy Trust (the Admissions Authority for Sawley Infant School) and the Local Authority consider the parent to be:</p> <ul style="list-style-type: none"> • the mother of the child • the father of the child where he was married to the mother either when the child was born or at a later date • the father of the child if (since 1 December 2003) he was registered as the father on the birth certificate • an adoptive parent • any other person who has acquired 'parental responsibility' through the courts; evidence of this may be required
Sibling (brother or sister)	<p>For admission purposes, Sawley Infant and Nursery School considers the following as siblings:</p> <ul style="list-style-type: none"> • A brother or sister who share the same parents; • A half-brother or half-sister, where two children share one common parent; • A step-brother or step-sister, where two children are related by a parent's marriage; • Adopted or fostered children living in the same household under the terms of a Residence Order or Child Arrangements Order. <p>Sawley Infant and Nursery School does not consider these as siblings:</p> <ul style="list-style-type: none"> • Cousins or other family relationships not included in the list above; • Siblings who at 1 September 2027 will not be registered pupils in Reception or an above year group at the school <p>Where applications are received in respect of twins, triplets or children of other multiple births, the school will endeavour to offer places. In accordance with para. 2.16 of the Admissions Code, children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil, a child of a multiple birth may be considered an excepted pupil and admitted above the planned admission number and the Key Stage 1 class size legislation.</p>
Waiting Lists	<p>Children's names will only be added to the waiting list where the application has been refused. The position on a waiting list is decided by the oversubscription criteria; each child added to the list means the list will be ranked again in line with the oversubscription criteria. No reference is made to the date an application has been received or whether a parent has appealed against the decision. If any applications are received that have higher priority within the admission oversubscription criteria, these will be placed higher than applications that may have been on the list for some time. Being on a waiting list does not mean that a place will eventually become available.</p>

	<p>If a place becomes available, the place will be allocated at that time, to the child who has highest priority on the waiting list according to the admission oversubscription criteria. This will include all applications that have been received requesting a place at that school where a higher preference has not been met.</p> <p>For Sawley Infant and Nursery School, waiting lists are held for admission to year groups Reception to Year 2 until 31 May of the academic year. Waiting lists will close on 31 May and parents will need to make a new application for the next academic year (where applicable).</p>
